

# STORY-TELLING FOR TOGETHERNESS

Film-making workshop  
and social media  
campaign

## Are you a grassroots organisation or community leader in Barking and Dagenham?

We all know the rising power of social media and film in influencing our daily lives and those of our residents. We know that as Community Leaders and organisations you are continuing to support tolerance and solidarity, but there is an overwhelming feeling that the messages are not being heard where they need to be. This is contributing to a loss of hope for a better future amongst our communities.

We need to unite, support one another and disrupt the negative noise in our screens with stories that connect and inspire. Funded by Barking Enterprise Centre CIC and part of the Nurturing Grassroots programme, we are offering this fully funded workshop and follow up support to enable you to capture your stories of everyday connection, love and co-existence.

### Join us to:

- **Become a confident film-maker**, learning through doing and receiving 1-to-1 follow up support to create at least one film
- **Connect with other grassroots organisations** and community leaders from different backgrounds in a safe, welcoming space
- **Share perspectives and experiences**, process emotion and build a network of mutual support
- **Discover 32 Steps to Togetherness** - our national movement to build connections within and between communities
- **Be part of an online movement** to unite us!

Secure your place at one of two sessions

THURSDAY 12 FEBRUARY

FRIDAY 13 FEBRUARY

Heath Park Community Halls,  
Rusholme Avenue, Dagenham RM10 7PR
